

udmaio::UioConfigBase

```
classDiagram
    class UioConfigUio["udmaio::UioConfigUio"]
    class UioConfigBase["udmaio::UioConfigBase"]
    UioConfigUio --|> UioConfigBase
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'udmaio::UioConfigUio'. A blue arrow points upwards from this box to a white box at the top labeled 'udmaio::UioConfigBase'. This indicates that 'UioConfigUio' inherits from 'UioConfigBase'.
